Francis Land Chapter Committees

Chapter Committees

The DAR is a volunteer service organization. The chapter committees are comprised of service activities and projects focused on historic preservation, promotion of education and the promotion of patriotism. The committee activities, planned each year, are based on the interests and support levels of chapter members, the projects proposed at the state and national levels, and on current community issues.

The Committee chairpersons, selected by the Regent, will be assisted by chapter members to accomplish the goal of the committee. The support and engagement of each member is vital to the continuing success of the Francis Land Chapter.

The Chapter Committees are:
